Dear Law Enforcement Official:

It is my pleasure to present to you the Winter/Spring 2016 Middlesex County Police Training Center Course Catalog which is provided on behalf of the Middlesex County Prosecutor® Office, the Middlesex County Board of Chosen Freeholders, and the Middlesex County Association of Chiefs of Police. This catalog is the result of the dedication of the members of the MCPO and others to provide quality training and education to the honorable men and women of law enforcement.

The range of course offerings addresses the training needs of police personnel who are equipped with varying degrees of experience and skill. The catalog provides a wide variety of courses in such areas as tactical skills, investigative techniques, ethics, and interrogation and interview techniques.

With multiple classrooms outfitted with high-tech audio-visual equipment, a FATS machine (firearms training simulator), driving simulator, ample parking, and a central New Jersey location, the Middlesex County Police Training Center is the optimal location to provide quality classroom training to law enforcement. Furthermore, the Middlesex County Police Range is located nearby. In addition to providing valuable hands-on firearms training, the range has on-site temperature-controlled trailers which can be used for classroom instruction throughout the year.

We are grateful to the Middlesex County Board of Chosen Freeholders for their continued financial support which allows us to offer state-of-the-art training opportunities taught by experienced and knowledgeable instructors. We encourage members of the law enforcement community to take advantage of these opportunities in order to best serve the community, and ensure and maintain the safety and security of all citizens of Middlesex County.

Very truly yours,

ANDREW C. CAREY

Middlesex County Prosecutor

MIDDLESEX COUNTY POLICE TRAINING CENTER

MISSION STATEMENT

The mission of the Middlesex County Police Training Center is to support, promote, and enhance the personal and professional development of law enforcement leaders by preparing them for complex, dynamic, and contemporary challenges through innovative techniques, facilitating excellence in education and research, and forging partnerships throughout Middlesex County and the State of New Jersey.

CONDUCTED ENERGY DEVICE (CED) END USER COURSE TIER TWO AND TIER THREE

In October of 2011, Attorney General Paula T. Dow authorized police departments in New Jersey to purchase and deploy Conducted Energy Devices (CEDs). Attorney General Dow developed the policy for CEDs and approved a training program for law enforcement officers through out New Jersey. Representatives from state and county law enforcement agencies throughout the state have received training to train end users on how to effectively operate the TASER X2. The TASER X2 is the approved CED, which is manufactured by Taser International, Inc. and on the New Jersey Conducted Energy Device (CED) Certification Course which includes instruction on the Use of Force. CLASS SIZE IS LIMITED TO 20 PARTICIPANTS. MIDDLESEX COUNTY ONLY!!! ONLY TWO PER DEPARTMENT

TIER ONE

The first component of this training program is the online training component available to New Jersey law enforcement through NJLearn (maintained by the New Jersey Office of Homeland Security). A certificate will be issued upon successful completion of this component. Officers must successfully complete the NJLearn component regarding Conducted Energy Devices prior to participating in the tier two and tier three training. Officers must provide a copy of the certificate, from this NJLearn training, to the training center prior to attending tier two and tier three training.

TIER TWO

The tier two component involves obtaining certification from the manufacturer of the TASER X2, Taser International, Inc. This course of instruction is a minimum of six (6) hours of training which is a requirement for new TASER X2 end users. Students will be provided the theory and practical training necessary to reasonably, safely and effectively operate the TASER X2, Conducted Energy Device (CED).

TIER THREE

The tier three training is the New Jersey Conducted Energy Device (CED) Certification Course, which is required for all law enforcement officers who are authorized in writing by their respective agency heads to carry and use a CED in the performance of their official law enforcement duties. The tier three component is a one-day training of classroom instruction on the Attorney General's Policy on Use of Force and, in particular, the Attorney General's Revised Supplemental Policy on CEDs, and a practical block demonstrating proficiency in the use of the device.

MONADNOCK DEFENSIVE TACTICS

The Monadnock Defensive Tactics System is a principle based defensive tactics program. MDTS was created to give the officer a base system for Personal Defense and Restraint Techniques that easily "transitions" into handcuffing. The "principle based" concept identifies a problem, and then concentrates on easily identified principles to solve the problem. It is designed to accentuate the Monadnock Expandable Baton (MEB) and PR-24 control baton programs. The MDTS Program will cover basic blocking skills, counter-strikes, control holds, handcuffing and weapon awareness/retention. This course provides an ideal foundation for departments initiating a defensive tactics program for their officers

Officers attending should wear tactical uniform or suitable athletic clothing, duty gear with practice firearm, handcuffs and key. Current MDTS Instructors mat also re-certify on the below dates.

CONDUCTED ENERGY DEVICE (CED) END USER COURSE TIER TWO AND TIER THREE

In October of 2011, Attorney General Paula T. Dow authorized police departments in New Jersey to purchase and deploy Conducted Energy Devices (CEDs). Attorney General Dow developed the policy for CEDs and approved a training program for law enforcement officers through out New Jersey. Representatives from state and county law enforcement agencies throughout the state have received training to train end users on how to effectively operate the TASER X2. The TASER X2 is the approved CED, which is manufactured by Taser International, Inc. and on the New Jersey Conducted Energy Device (CED) Certification Course which includes instruction on the Use of Force. CLASS SIZE IS LIMITED TO 20 PARTICIPANTS. MIDDLESEX COUNTY ONLY!!! ONLY TWO PER DEPARTMENT

TIER ONE

The first component of this training program is the online training component available to New Jersey law enforcement through NJLearn (maintained by the New Jersey Office of Homeland Security). A certificate will be issued upon successful completion of this component. Officers must successfully complete the NJLearn component regarding Conducted Energy Devices prior to participating in the tier two and tier three training. Officers must provide a copy of the certificate, from this NJLearn training, to the training center prior to attending tier two and tier three training.

TIER TWO

The tier two component involves obtaining certification from the manufacturer of the TASER X2, Taser International, Inc. This course of instruction is a minimum of six (6) hours of training which is a requirement for new TASER X2 end users. Students will be provided the theory and practical training necessary to reasonably, safely and effectively operate the TASER X2, Conducted Energy Device (CED).

TIER THREE

The tier three training is the New Jersey Conducted Energy Device (CED) Certification Course, which is required for all law enforcement officers who are authorized in writing by their respective agency heads to carry and use a CED in the performance of their official law enforcement duties. The tier three component is a one-day training of classroom instruction on the Attorney General's Policy on Use of Force and, in particular, the Attorney General's Revised Supplemental Policy on CEDs, and a practical block demonstrating proficiency in the use of the device.

Prerequisite: Completion of the NJLearn component on Conducted Energy Devices (CEDs) (Tier One)

VEHICLE HIDES FOR LAW ENFORCEMENT SNIPERS

In today's urban environments the ability for LE Snipers to insert themselves on scene undetected is becoming more difficult. Vehicle hides provide protection from the elements and a mobile platform that offers the Sniper the ability to obtain real time information and an over watch position for approaching team members to a target location. This class will identify the components needed and how to construct a vehicle hide. Each Sniper will construct a vehicle hide and fire from within.

Required Equipment: Scoped rifle capable of 1 MOA at 100 yards, 40 rounds of match grade factory ammunition, shooting mat and notebook.

LAW ENFORCEMENT TRAINER (L.E.T.) OPERATORS'*

The Training Center offers twenty-four hour training with the use of the Law Enforcement Trainer. In August 2013, the Middlesex County Chief's of Police Association purchased a new Law Enforcement Trainer. Those departments currently enrolled as members of the Middlesex County Law Enforcement Trainer (L.E.T.) are afforded the opportunity to certify operators on the new equipment as well as utilize the system for supplemental firearms training for problem/difficult shooters. Every department must participate in the training before the department can use the equipment.

*Formally referred to as F.A.T.S.

DRIVING SIMULATOR OPERATORS'

The Training Center offers twenty-four hour training with the use of the Driving Simulator. Middlesex County agencies have the opportunity to train individuals to operate the Doron 550 LE Driving Simulator. Those departments currently enrolled as Driving Simulator users are given the opportunity to certify operators as well as utilize the system for supplemental training for problem drivers. Every department must participate in the training before the department can use the equipment. Completion of operators' training will allow participating agencies the opportunity to schedule and conduct their own driving simulator training at the Training Center.

Training for the Driving Simulator and FATS system will be scheduled on an as needed basis. Agencies interested in training their personnel to operate the driving simulator/FATS machines should contact John Kruszka at 732-650-6705. Training will take approximately 3 hours with one hour utilized for instruction and 2 hours for newly trained operators to familiarize themselves with hands on operating of both.

NJ LEARN LEARNING MANAGEMENT SYSTEM INFORMATION

NJ Learn is a complete Learning Management System, managed by the Office of Homeland Security and Preparedness, at no cost to State, County, and Local First Responder Agencies. It is available to sworn Law Enforcement officers, certified Emergency Medical Technicians, and Level one certified Firefighters. Its capabilities include web accessible Standardized Training of Online courses, Course Catalog Registration process, a Digital Resource Repository, Communications capability, and a Reporting Management System.

Permission based, users can request and take courses, tests, and surveys. The designation of supervisor in NJ Learn is generally given to agency training officers; specifically those who will manage user accounts in NJ Learn for others from the same jurisdiction. Supervisors can manage requests and approvals, course assignments, and training records of users assigned to them. Users are assigned to, and managed by one NJ Learn supervisor at a time. A supervisor cannot manage their own account.

Any user can be assigned the supervisor permissions. The training for those permissions is composed of an introduction to NJ Learn and its capabilities, demonstration of the supervisor functionality, and hands on training in those functions. Sessions run about four hours, and class size is generally limited to (16) and under.

If you have any additional or specific questions, feel free to contact: Nicole Ducca 732-650-6701.

BLOODBORNE PATHOGENS

The following Bloodborne Pathogens Training meets the Federal Occupational Safety and Health Administration (OSHA) Standard, 29 CFR 1910.1030, which was adopted by the New Jersey State Public Employees Occupational Safety and Health (PEOSH) Program. Training must be provided at the time of the emergency responder's initial employment and at least annually thereafter.

The standard requires that emergency responders have access to a qualified trainer while taking on-line training to allow for interactive questions and answers, if needed. This requirement can be met via telephone contact or through email only if the trainer is available to answer emailed questions at the time the questions arise (e.g., live chat). It is the responsibility of each department's/agency's chief executive to provide their members with the name, contact information and work hours of the qualified trainer designated to assist with any questions.

The standard also requires that emergency responders are provided with an explanation of the department's/agency's written exposure control plan, as well as the means by which members can obtain a written copy. It is the responsibility of each department's/agency's chief executive to provide this information to its members. It is critical that each emergency responder knows what to do in the event of an exposure and to be able to articulate their department's/agency's exposure control plan.

If the emergency responder has questions relating to any training or modifications made to existing procedures, they should consult with their designated qualified trainer, supervisor, and/or appropriate legal advisor.

About our Program

The Middlesex County Crime Stoppers Program began in 2011 as a result of the efforts of the Middlesex County Prosecutors Office, Reited New Brunswick Police Director Anthony Caputo (Chairman) and the Middlesex County Chiefs of Police Association. Our Program now operates as an independent organization. The concept has developed into a combination of efforts by local media, businesses, civic and social clubs, law enforcement agencies, and the public. Donations of airtime, newspaper space, and reward monies have established Crime Stoppers as an effective tool to fight crime in the area.

Mission Statement

Crime Stoppers is comprised of diverse, active and dedicated community representatives. Crime Stoppers provides a method for local law enforcement to receive information on crimes. These efforts increase tips, which in turn increase arrests in our community.
